with two Ds; and George Corley Wallace. And they had their code words, and you know what Wallace said? That when he first ran for governor, he lost because he didn't use the "N" word. He said, but I will never be out, and then he used the "N" word again. He said: "Segagation" yesterday, "segagation" today, "segagation" tomorrow, "segagation" forever," and that's David Heineman.

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: Now, a lot of white people don't like Malcolm X. I thought he was a great man and I would not take it as a dishonor to be compared favorably with Malcolm X, so the Governor should not deem it a dishonor to be compared with George, Orval and Lester, because he is carrying on their vicious, racist, divisive tradition, and it needs to be mentioned. Is this my third time on this proposal, Mr. President?

SENATOR CUDABACK: It is your third time, Senator.

SENATOR CHAMBERS: Thank you.

SENATOR CUDABACK: Further discussion? There are no lights on. Senator Byars, you're recognized to close.

SENATOR BYARS: Thank you, Mr. President. Once again, I think we've made it clear that basically this is a piece, this is an amendment that is important to have that certainly doesn't have a financial impact and makes good sense from a public policy standpoint, and I think this is an appropriate place to place it in this package, and I would ask for your support of AM2782. Thank you.

SENATOR CUDABACK: Thank you, Senator Byars. You've heard the closing on AM2782 to AM2801. All in favor of the amendment by Senator Byars vote aye; all those opposed vote nay. Question before the body is the Byars amendment, AM2782. Have you all voted on the question who care to? Have you all voted who care to? Senator Byars, for what purpose do you rise?
